The Prez Sez

By Joe Fischer

If you attended the banquet then I don't have much new for you. We had a great turn out at both the pre-meeting cocktail hour at Emery's and the banquet at DeMarini's . The unofficial count was 54 attendees.

I want to thank everyone who helped plan the event, but especially Sharon Stephens who made all the arrangements (and endured the burden of shopping for all the raffle prizes) and Andy Sikorski for all the technical support.

Diane Yurasovich arranged for a BVBC 30th Birthday Cake. We had the three oldest.....er longest standing members in attendance blow out the candles. Ron Santoro, Linda Roessl, and Gil Krueger did the honors together. If I understood correctly, they all joined in the same year: 1995.

Linda Roessl was awarded with a construction hard hat to add to her helmet collection for riding through construction zones, and Scott Siebers was awarded a pair of bunny ears (this was more of a lifetime achievement award).

This year the Twisted Monkey award went to Helen Hogan, not so much for any particular feat of nut job cycling, but for her perseverance. No amount of bad weather will deter Helen from riding. The ride isn't canceled until Helen doesn't show.

This year's Presidents Award was presented to Rich Temple for his past and continued service to the club. Rich served as President for four years and continues to coordinate the club's activities for the Wheel and Sprocket Expo.

Rich was also elected to the BVBC Board in a landslide! We will sort out responsibilities for next year at our next board meeting in December. It is not too late to volunteer.

Thank you again to our outgoing board members Mike Smiley and Sharon Stephens and Julie Franco for all of their service to the club.

The banquet would not be the same without the annual slide show that Ron Santoro and Debra Tuckwood do such a great job putting together. This may have been their best show yet.

I hope you all have a safe and joyous holiday season, and a very Merry Christmas!

And remember, let's have fun out there!

Membership Meeting

November 15, 2019

Fall Banquet

The meeting was brought to order by **President Joe Fischer**.

*Our Fall Banquet was held this month at DeMarini's in Menomonee Falls.

*About 55 people gathered for a good time of socializing, raffles, food, and laughs.

*The banquet was planned by our Social Chair **Sharon Stephens**. The rest of the board helped with the details. Thank you Sharon!

***Rich Temple** volunteered for a board position. Rich volunteered "to do something". Unknown which position he will fill at this time.

*Board members leaving are social chair **Sharon Stephens** and membership chair **Mike Smiley**. The club thanked these two people for their volunteer service.

*There are several open positions on the board. See a board member if interested. The board will find you something to do too!

***Sharon** shopped for fantastic bicycle theme raffle prizes. There were many happy winners. Thank you Sharon!

***Rich Temple** received the President's Award for doing so much for the club including being president for four years and taking the lead on the Wheel & Sprocket Expo. Thank you Rich for all of your services!

***President Joe** gave out awards to people with the most rider points and for other things. Helen Hogan won the Twisted Monkey award for always showing up for rides no matter what the weather was like.

*Mostaccioli and Chicken Alfredo were served and there was a huge sheet cake with our 30th club logo on it. **Gil Krueger, Linda Rossel, and Ron Santoro** who have belonged to the club the longest (of the people present) blew out the candles.

*The evening was ended with an awesome slide show that **Ron Santoro** arranged. Many of the rides and events that members participated in over the year were highlighted. Ron had good music playing along with the pictures. Thank you Ron!

*The meeting was adjourned at 9:15.

Save the Date! Memorial Day Weekender

By Linda

Join us for the Memorial Day weekend, May 22 thru 25th, 2020 riding the scenic Vilas County, WI paved bike trails and on roads with hills in the neighboring area. It is time for you to make your lodging reservations for the weekend because places fill fast, but there are plenty of motels in the area. Bay View Bike Club members in attendance last year have reserved lodging at the Northwood's Rest motel in St. Germain for the weekend. Since they may be sold out, use this establishment as a gauge to find lodging nearby. The Rustic Lodge is just down the street and another great place to stay. If you prefer to camp, you are on your own for finding accommodations.

The routes have cue sheets or use RwigPS. Most routes have two distances to choose from with mileage ranging from 25 to 50 miles, some roads contain hills. I plan to start the weekend off with a paved 30 mile ride on the Vilas County bike trail, no trail pass required on Friday afternoon for those who arrive early. Other routes will venture around the Rainbow Flowage, to Lake Tomahawk, through Manitowish Waters, Presque Isle and Boulder Junction mostly on rustic roads. Since we are on vacation, rides will start at 10:00 AM unless the group decides otherwise.

Feel free to email me at roessll@hotmail.com or text me at (414) 764-2513 if you have any questions. Come join us for a getaway weekend and enjoy the Northwood's.

A Word About Your Electronic Information

Your privacy is important to us. We don't share any of our membership information with anyone. We don't sell or forward your email address to any outside organizations. The BVBC board has decided not to make our member names, addresses or e-mails available electronically to members. We will continue to print a paper membership directory available in June. With very few exceptions, all of the e-mails you get from us will be directly related to club activities

Please don't ask us to forward any e-mails to our membership. We don't do that. If you would like to share your experiences about a particular ride, feel free to do that in the newsletter. Many bicycle event organizers ask us to forward information about their ride to our members. In order to limit the number of e-mails you get from the club, we don't forward e-mails from outside organizations. We will publish information about rides, events etc if it is submitted to the newsletter.
